

Vice President's Report to the Membership
Inuvik Ski Club Annual General Meeting
October 18, 2015

I joined the Board late in the season this year, in time to assist with the preparation and hosting of the 47th Annual Top of the World Loppet. The event was a success with approximately 40 skiers registered and just over 30 finishing the races. We had a large contingent of young skiers join us from Fort McPherson. Moving away from a formal banquet to a BBQ and Awards Ceremony immediately following the race was well received, and far more cost effective. I recommend keeping this format for this coming year. Thanks to Canadian/Aklak Helicopters for donating a flightseeing tour as our Grand Prize. Thanks also to the Town of Inuvik for their BBQ.

The offseason has focused on ski equipment renewal. Andrew has been very successful at raising funds for this purpose. We are in the final stages of determining what we will purchase, but there will be a significant improvement in ski equipment inventory for all ages and sizes of skiers this season. Our hope is to have the new equipment in place sometime early in the New Year.

Thanks to everyone who helped make last season a success. Looking forward to another great season this winter!

Respectfully submitted.
Fraser Pearce
